## **HEALTHCARE SERVICES Positive Collaboration Pays Off**

MUBE is pleased to communicate that following months of negotiations in conjunction with the Bank the tender for the provision of Healthcare Services has been completed and awarded to Atlas Insurance (AXA).

In general, the new schemes will be broadly similar to the previous ones both in terms of benefits and service provision.

Notwithstanding the fact that there was a substantial increase in medical inflation over last year the Premia for such schemes have only experienced a minimal increase. This was only attainable after lengthy and rigorous negotiations.

The cooperation of all employees is required to ensure the transition from one provider to another. MUBE is hereby kindly requesting employees currently on an upgraded scheme to:

- email a copy of their current BUPA Certificate of Insurance to Atlas Healthcare on [corporate.business@atlas.com.mt](mailto:corporate.business@atlas.com.mt) **before the 7th December 2017.**
- employees who wish to upgrade and/or downgrade their respective cover are to send the signed application form together with their Certificate of Insurance by email on [corporate.business@atlas.com.mt](mailto:corporate.business@atlas.com.mt) and also send the originals by mail to Atlas Healthcare, Abate Rigord Street, Ta Xbiex XBX 1121 **before the 7th December 2017.**

This is required for the setup of a typical personal scheme with Atlas and in line with Data Protection requirements.

We thank you all for your collaboration.
